AFRICAN ORGANIC CHEMISTRY TOURNAMENT (AOCT)
2ND EDITION — OFFICIAL MEMORANDUM

TO:	School Proprietors/Proprietresses, Heads of Schools, Principals, Vice-Principals and Science/Chemistry Teachers
FROM:	Prime STEM Nigeria
SUBJECT:	Invitation to Participate in the 2nd Edition of the African Organic Chemistry Tournament (AOCT)
DATE:	October 6, 2026

Dear School Leader / Science Educator,

Prime STEM Nigeria is pleased to invite your school to participate in the 2nd Edition of the African Organic Chemistry Tournament (AOCT), a specialized academic competition designed to identify, challenge and celebrate students with strong interest and ability in Organic Chemistry.

AOCT is more than an examination. It is an opportunity for schools to expose their Chemistry students to a structured competitive environment that promotes deep understanding, critical thinking, problem-solving, academic confidence and healthy intellectual competition.

WHY YOUR SCHOOL SHOULD PARTICIPATE

- Expose your students to a high-level Organic Chemistry competition beyond routine classroom assessment.
- Identify students with exceptional Chemistry ability and encourage them toward advanced STEM learning.
- Give your Chemistry Department an opportunity to benchmark students against participants from other schools.
- Strengthen your school's culture of academic excellence, competition and STEM development.
- Create opportunities for students, teachers and schools to earn recognition through national and African-level participation.
- Access structured preparatory resources to help participating students prepare effectively.

WHO IS ELIGIBLE?

The 2nd Edition of AOCT is open to students in Senior Secondary School (SSS 1–3). Participation is open to both Nigerian and non-Nigerian students/schools.

COMPETITION FORMAT
Mode: Computer-Based Test (CBT)
Examination Period: Saturday, 14 November – Saturday, 21 November 2026
Target Subject: Introductory and Intermediate Organic Chemistry
Eligibility: SSS 1–3 students
Participation: Individual and School/Group registration

WHAT PARTICIPATING SCHOOLS STAND TO GAIN

- School-level visibility and recognition through participation and outstanding performance.
- Opportunity for students to compete for prestigious prizes and academic recognition.
- Recognition of outstanding Chemistry teachers and schools.
- Access to a dedicated Organic Chemistry preparation handbook and competition resources.
- A platform for discovering and nurturing future Chemistry/STEM talents within your school.

AWARDS & RECOGNITION
The 2nd Edition features the following major awards and recognition:
Star Prize: ₦500,000 + Plaque
Overall Best School: Chemistry Laboratory Set
Overall Best Teacher: Laptop + Plaque
Top 50 Candidates: Medal + Certificate of Excellence + CHEM-50 Hall of Fame Membership

REGISTRATION FEES

Registration Category	**Fee**
Individual Registration	₦7,000 per candidate
School/Group Registration (10 or more candidates)	₦5,000 per candidate

PREPARATORY MATERIALS
Schools are encouraged to equip their candidates with the official AOCT Organic Chemistry Handbook, which provides structured preparation support, including extensive CBT practice and past competition materials.
Official Handbook: https://selar.com/855695835a

REGISTRATION & ENQUIRIES
Registration is available for individual candidates and school/group entries.
Schools registering 10 or more candidates qualify for the group registration rate of ₦5,000 per candidate.
For registration support, school coordination and further enquiries, contact Prime STEM Nigeria via WhatsApp: 08105541242.
