STEM KIDS CHAMPIONSHIP
5TH EDITION — OFFICIAL MEMORANDUM

TO:	School Proprietors/Proprietresses, Heads of Schools, Principals, Vice-Principals and Science Teachers
FROM:	Prime STEM Nigeria
SUBJECT:	Invitation to Participate in the 5th Edition of the STEM Kids Championship (SKC)
DATE:	October 12, 2026

Dear School Leader / Science Educator,

We are pleased to invite your school to take part in the 5th Edition of the STEM Kids Championship (SKC), our Pan-African academic competition in Mathematics, Basic Science and Computer Technology for learners in Basic 3–6 and JSS 1–3. Public and private schools are both welcome. We built SKC to nurture curiosity, build confidence and give your learners recognition beyond the classroom, and we would be delighted to have your school with us.

Key information

Examination date	Saturday, 14 November 2026
Registration deadline	12 November 2026
Who can enter	Basic 3–4 (Primary Group 1), Basic 5–6 (Primary Group 2) and JSS 1–3 (Junior Secondary)
Exam mode	Physical or online. Candidates in states or cities where the physical location is far away can write online. You must choose your exam mode and location during registration.
Registration fee	~~₦~~4,000 for individual registration; ~~₦~~3,000 per candidate for registration of 10 candidates and above
Main awards	~~₦~~1,000,000 and a plaque for the Overall Champion; a full STEM (Robotics) Kit for the Best School; a three-year educational scholarship for the Best Candidate in each category; ~~₦~~200,000 and a plaque for the Overall Best Teacher; and medals, certificates and STEM-100 Hall of Fame membership for the Top 100 candidates. Final award conditions remain subject to our official rules.

How to register

1. Pay the applicable fee into our official account: **United Bank for Africa (UBA), account name PRIME STEM NIGERIA, account number 1025357212.**
2. Send your evidence of payment and candidate list to us at primestemnigeria@gmail.com, or through our official WhatsApp contact.
3. Receive your candidate codes and e-registration forms from us, and share them with your candidates.

Prepare with the Master Preparatory Guide

To help your learners prepare well, we have produced the SKC Master Preparatory Guide. It contains past questions and answers from 2022–2025, syllabus guidance and preparation strategies. We encourage every teacher and candidate to get a copy. Download it here: **https://selar.com/k484f98wdl**.

What we ask of you

Please share this memo with your teachers, learners and parents or guardians, and register early rather than on the final day. Kindly verify payment details with us before you transfer any money, keep your receipt, and wait for our official announcement before publishing any results.

For clarification, please contact us on **+234 810 554 1242** or **+234 813 825 8491**, by email at primestemnigeria@gmail.com, or visit primestemnigeria.afristemglobal.org.

We look forward to welcoming your school and your learners to the championship.

Yours faithfully,

Engr. Sam Nwankwo
